1. **Notice to Abate.** It shall be the duty of the Village, its duly appointed representative, the Livingston County Sheriff's Department or a Sheriff's Deputy, to serve or cause to be served a notice upon the owner or occupant of any premises on which public nuisance exists in violation of the provisions of this Ordinance and to demand the abatement of the nuisance within seven (7) calendar days of the notice.
2. **Abatement by Village.** If the person so served does not abate the nuisance within seven (7) calendar days, the Village may proceed to abate such nuisance, keeping an account of the expense of the abatement, and such expense shall be charged to and paid by such owner or occupant.

The Village shall have the right to take such legal steps to collect amounts owed for the abatement of illegal weeds and/or grass as it deems necessary, including, but not limited to, the procedure-set forth herein. All costs and fees for this abatement incurred by the Village shall be the responsibility of the owner or occupant.

3. **Lien.** Charges for such weed or grass removal shall be a lien upon the premises. Whenever a bill for such charges remains unpaid for sixty (60) calendar days after it has been rendered, the Village may file a sworn statement of lien claim with the Livingston County Recorder. This statement shall contain a description of the premises sufficient to identify the parcel, the

expenses and costs incurred, the date the weeds were cut or nuisance was abated, and a notice that the Village claims a lien for this amount. Notice of such lien claim shall be mailed to the owner of the premises if his or her address is known. However, failure of the Village to record such lien claim or to mail such notice, or the failure of the owner to receive such notice, shall not affect the right to foreclose the lien for such charges as provided in subsection (g) hereof.

4. Foreclosure of Lien. Property subject to a lien for unpaid weed, grass or plant cutting charges shall be sold for nonpayment of the same, and the proceeds of such sale shall be applied to pay the charges after deducting costs and fees, as is the case in the foreclosure of statutory liens. The Village Attorney is hereby authorized and directed to institute such proceedings, in the name of the Village, in any court having jurisdiction over such matter, against any property for which such bill has remained unpaid sixty (60) days after it has been rendered.
5. Enforcement Process. The Village, its officers and staff shall follow the following process in enforcing this Ordinance:
 - a. Determine nuisance exists.
 - b. Make a record of the nuisance by taking photos and preparing documentation including dates.
 - c. Prepare notice and have it served.
 - d. Re-inspect after seven (7) calendar days from the date notice was served.
 - e. Make record of re-inspection by taking photos and preparing documentation including dates.
 - f. Obtain proof of service of notice.
 - g. If there is no compliance, the Village may abate the nuisance and document the costs thereof.
 - h. Send itemization of costs with demand for payment to property owner. Advise that non-payment of these costs within sixty (60) calendar days will result in the Village filing a lien on the property and possible legal action to foreclose on the lien
 - i. Sixty (60) calendar days after abatement if there is no payment for the costs to the Village to abate nuisance, the Village may record a lien

j. If the lien is not satisfied, after a period of time left to the Board, legal action may be authorized to foreclose on the lien.

P. This Ordinance shall supersede any ordinances or motions or parts of ordinances or motions in conflict with any part herein, and any such ordinances or motions or parts of such ordinances are hereby repealed.

Q. **Severability.** If any section, paragraph or provisions of the Ordinance shall be held invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect any of the remaining provisions of this Ordinance.

R. **Publication.** The Secretary of the Village of Flanagan is hereby directed to publish this Ordinance in full at least once in a newspaper published in the Village. Publication shall take place no later than (30) days following the adoption of this Ordinance. The provisions of this Ordinance shall be in full force and effect ten (10) days after publication as provided by law (65 ILCS 5/1-2-4).
